

Attention all Transformers Club members!

You can earn \$10 off your next product purchase of \$50 or more (not redeemable for membership or convention registrations) by referring a friend and having them sign up for a new Transformers club membership (you can refer up to five (5) friends).

The new membership can be processed online, by phone or by mail. If processed online please have the new member include a note on the invoice with the referring person's name, zip code, and email address. For orders by mail, please include the referring person's name, zip code and email as well. Memberships are non-refundable.

Once the membership has been processed a \$10 coupon will be emailed to the referring Transformers Club member. The \$10 coupon is valid for phone-in orders only at 817-448-9863. The \$10 coupon is valid from December 1, 2010 to March 1, 2011. Photocopies/reproductions are not valid. Coupons have no cash value alone and are not valid on prior purchases. Coupons are good for a one-time use only by the referring Transformers Club member and are not transferable.

This coupon CAN be combined with other coupons with a maximum of five (5) coupons being used on one order of \$50 or more. Void where prohibited. Coupon is valid on in-stock items only. Tax and shipping are not included when calculating

minimum purchase. A re-stock fee will apply on any product returned. We reserve the right for final approval on all orders. Please refer to our terms and conditions for order details on our website. All referring members must be current Transformers Club members. **To qualify as a NEW member you must not have been an Transformers Club member in the past 12 months.** (expired memberships with expiration dates prior to September 2009 would be eligible).
